How to find us... *by road, rail and air*

The Greener Way to Meet!

Conference Aston boasts an exceptional location on the Aston University campus, benefitting from extensive transport links; we promote using public transport when visiting our venues, with three mainline stations which are indicated on the following map, all stations are within walking distance.

If you walk from New Street station... the average person will burn approximately 66 calories! That means you can enjoy a biscuit with your coffee when you arrive and not feel guilty!

Taking the train instead of the car... can reduce your carbon emissions by up to two thirds!

Rail travel

New Street, Snow Hill and Moor Street train stations are all within 20 minutes walk of the venue or a 5 minute taxi journey. Please visit www.thetrainline.com for details and tickets. On foot from the stations: We have developed interactive Google walking maps from New Street and Snow Hill train stations, available for download from www.conferenceaston.co.uk
